

# Halton Lodge Primary School

## Charging and Remissions Policy

**Reviewed: November 2017**

**Date of next review: Spring Term 2019**

## CHARGING AND REMISSIONS POLICY

### **Rationale**

At Halton Lodge Primary School we believe that all our pupils should have an equal opportunity to benefit from school activities and visits (curriculum and extra-curricular) independent of their parents financial means.

This Charging and Remissions policy describes how we will do our best to ensure a good range of visits and activities are offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

### **Introduction**

It is a statutory requirement that Local Authorities (LAs) and Governing Bodies determine - and keep under review - their policy on charging and remissions within the framework of the legislation.

It is for individual governing bodies to determine their policy in relation to the Council's policy. The governing body's policy may be more or less generous than the Council's, as long as it meets the requirements of the law. Schools must maintain a written statement of their policy and make it available to parents on request. Neither a LA or a school can make charges for school activities unless a policy is in existence.

The objectives of the charging provision of the legislation are:

- to maintain the right to free school education;
- to establish that activities offered wholly or mainly during normal teaching time should be available to all pupils regardless of their parents' ability or willingness to help meet the cost;
- to emphasise that there is no statutory requirement to charge for any form of education or related activity, but to give LAs and schools the discretion to charge for optional activities provided wholly or mainly out of school hours;
- to confirm the right of LAs and schools to invite voluntary contributions for the benefit of the school, or in support of any activity organised by the school whether during or outside school hours.

### **Legislation**

The legislation:

- enables charges for education activities to be raised only in certain circumstances;
- enables voluntary contributions in support of any activity to be sought;
- requires a policy which, as a minimum, provides for complete remission of any charges otherwise payable in respect of board and lodging provided for a pupil on a residential trip where it takes place within specific criteria referred to in the legislation and where the pupil's parent(s) are in receipt of specified state benefits.

## The Policy

### Charging

Governing Bodies are authorised to continue to maintain a charging and remissions policy in accordance with legislation; if they wish to charge parents for any or all of those activities for which charges are permitted, as listed below:

- **Musical Instrument Tuition**

Costs associated with tuition in playing a musical instrument where the tuition is provided either individually or to a group of not more than four pupils, unless the tuition is provided as part of a syllabus for prescribed public examination or is required by the National Curriculum.

- **Public Examinations**

The cost of:

- Entering a pupil for public examination not prescribed in regulations and for preparing the pupil for such an examination outside of school hours;
- Entering a pupil for a prescribed public examination where no preparation, or no further preparation in the case of resits, has been provided by the school;
- Public examination fees where a pupil fails, without good reason, to meet the examination requirement of the public examination.

- **Materials, Books, Instruments or Other Equipment**

The cost of materials used in school where a parent indicates in advance that they or the pupil wishes to own the finished article which incorporates the materials. Any charge will not exceed the cost of the materials. Alternatively, the parent may be required to provide the materials in question.

- **Board and Lodgings**

The costs of board and lodgings (not exceeding the actual cost) on residential visits, subject to the complete remission of such charges on visits deemed to fall in school time for pupils whose parents are in receipt of state benefits as listed under the Remissions section of this policy below.

- **Education Outside School Hours**

Any activity which takes place wholly or mainly outside school hours (as defined in the legislation) and is not provided as part of the syllabus for prescribed public examination and is not required in order to fulfil statutory duties relating to the National Curriculum or to religious education. Such an activity is defined as an 'optional extra' and may be charged for.

Charges for 'optional extras' outside of school hours may include:

- travel, board and lodgings for pupils;
- materials, books, instruments and equipment;
- entrance charges to facilities;
- staff costs – both support and teacher costs (where a teacher / instructor has been engaged specifically to provide the activity). *These teachers should be given a separate contract to provide optional extras.*
- Insurance.

With an 'optional extra':

- parents can choose whether their children attend or not;
- no profit can be included in any charges made – the charge is to be based on the actual cost of the activity;
- a charge will not include a share of the cost of any remissions. If further funds need to be raised, for example to help in hardship cases, this must be by voluntary contributions or general fund-raising.

**When 50% or more of an activity, including travelling time, takes place during school hours no charge can be made.**

### **Voluntary Contributions**

At Halton Lodge Primary School, separate from the matter of charging, the school may seek voluntary contributions in order to offer a wide variety of experiences to pupils.

Governing Bodies are empowered to seek voluntary contributions in order to fund activities taking place wholly or mainly during school hours for which the costs cannot be met from the school's budget, providing that it is made clear to parents in writing that:

- any contribution is voluntary;
- the children of parents who do not contribute will not be treated differently from any other child in the school.

It is permissible to warn parents in advance that where an activity cannot take place without some support from parents, and there are insufficient voluntary contributions, the activity may be cancelled.

#### **The Law states:**

***If the activity cannot be funded without voluntary contributions the Governing Body or Headteacher will make this clear to parents from the outset. No child will be excluded from an activity because his or her parents are unable or unwilling to pay. If insufficient contributions are received, the trip or activity may have to be cancelled. If a parent is unwilling or unable to pay, their child will still be given an equal chance to go on the visit.***

### **Damage to Property**

A Governing Body may reserve the right to ask parents to contribute to the cost of repairs or of replacing defaced, damaged or lost property where this is a result of a pupil's inappropriate behaviour.

### **Remissions**

In order to remove financial barriers from pupils, the Governing Body at Halton Lodge Primary School has agreed that activities and visits, where charges can legally be made, will be offered at no charge or a reduced charge to parents in particular circumstances.

This remissions policy sets out the circumstances in which such charges will be waived.

The Governing Body is authorised to remit all charges payable in respect of board and lodgings for the duration of a residential trip if the parents are in receipt of the following state benefits:

- i) Income Support (IS);
- ii) Income-based Jobseeker's Allowance (IBJSA);
- iii) Support under part VI of the Immigration and Asylum Act 1999;
- iv) Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue & Customs) does not exceed £16,190;

- v) Guaranteed State Pension;
- vi) An income-related employment and support allowance.

### **Additional Considerations**

The Governing Body recognises its responsibility to ensure that the offer of activities and educational visits does not place unnecessary burden on family finances. To this end, we will try to adhere to the following guidelines:

- Where possible we shall publish a list of visits (and their approximate cost) at the beginning of the term so that parents can plan ahead - and for residential visits at least six months in advance;
- We have established a system for parents to pay in instalments;
- When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip;
- We acknowledge that offering opportunities on a 'first pay, first served' basis discriminates against pupils from families on lower incomes – and we will avoid that method of selection.

*Governing Bodies are also empowered to remit charges for activities where costs can be reasonably and appropriately met from the school's budget.*

*Schools will continue to be responsible for meeting the cost of any remission of charges arising from this policy.*
