Winning House

The winning House this week is, once again, PRIORY!

All of the children in Priory are invited to come into school on Monday, dressed in their own clothes - out of uniform - hopefully adorning something that is yellow to signify their victory. *Although their victory was very narrow last week, the children in Priory amassed over 80 points more than any other house this week – which demonstrates what a great effort the children are putting into their work this term.*

Sports For Champions

On Friday, Team GB Athlete, Robert Mitchell, will be visiting our school. I'm sure many of our pupils are looking forward to meeting him, learning about his career as a professional athlete – representing Great Britain at a number of world events – and listening to his advice about how to be successful in life.

As outlined previously, all of the children will be given the chance to take part in a PE (circuits) session, led by Robert – and, if they have they been able to collect any sponsorship money, that would be greatly appreciated.

All sponsorship money must be brought into school and counted BEFORE Robert Mitchell's visit. This means that the last day for bringing any sponsorship money into school for this event is next Thursday (2nd May).

To take part in the circuits sessions, every child must wear sensible non-slip footwear (trainers or PE pumps). So please ensure they have these – in addition to their PE kit, in school on Friday.

Getting professional athletes and sport stars into school is a real challenge and it is only through organisations, such as Sports For Champions, that we can usually organise for things like this to happen – so we would be very grateful if you could support this event with a donation of at least £2.

Amy Goodall Visits Halton Lodge

On Friday we will also be welcoming singer Amy Goodall to our school.

In addition to being able to watch Amy perform, Amy will be encouraging our pupils to make the right choices in regards to cyber bullying, sharing why it is important not to discriminate and to encouraging everyone to treat other people fairly, whether they are of a different race, gender or nationality.

Amy will also discuss why diversity should be celebrated and the fundamental British values – so hopefully this will be something that the children will greatly enjoy. The children may get the opportunity to ask Amy some questions about her life and career while she is at our school, so you may wish to talk to them about good questions they could ask, if they are given the opportunity.

With everything that is going on in school on Friday, there will be no Family Assembly next week.

ROBERT MITCHELL
HIGH JUMP

FOHLS Summer 'Hawaiian' DISCO

The FOHLS have also agreed to organise a Summer Disco – with a Hawaiian theme – for the children on Thursday 23rd May.

The infant disco will take place from 3:15pm to 4:15pm – and the junior disco will take place from 4:30pm to 5:30pm.

Tickets for this event will go on sale on Monday 29th April and will remain on sale until Friday 17th May. They will be priced at £1.50 per child – which includes the cost of a snack and a drink (so the children will not need to bring any additional money on the night).

Tickets will be on sale from the school office at the start and end of the school day.
