4<sup>th</sup> October 2019

### Jenna Downing To Visit Our School On Monday!

This week we received confirmation that Jenna Downing, World Champion Inline Skater, will be coming to our school on Monday!

The day will start with a special 1 hour long assembly, which will include a live demonstration of Jenna's skills and talents, an overview of her amazing life story and the opportunity for the children to ask Jenna questions about her achievements. She will also talk to the children about character and resilience building, raising aspirations and building confidence, and the importance of correct nutrition, hydration and exercise to fuel the body and provide brain power!

We hope that this will be a very special day for all of the children to remember.

### Flu Vaccination Consent Forms

If you are yet to return the Flu Vaccination Consent Form for your child, could you please do this at the beginning of next week? These forms can be handed in at the school office.

### Messy Church Is Back

Message from Rev'd Emma Speake:

*"Sadly we were not able to run Messy Church in September (due to a lack of volunteers) but Messy Church will restart this week. The theme for October is Harvest and everybody is welcome to take part in a harvest related story, prayers, crafts and a hot meal."*

**St Andrew's Church Grange**

**Monday 7th October**

Church will be open at 3.15pm for a 3.30pm start.

Includes a light tea (FREE)

This month is Harvest Festival  
You are invited to bring a tin or packet which will be donated to Runcorn & District Foodbank.

### Aldi's Kits For Schools

We are doing amazing well in our quest to collect 300 Aldi stickers – as we now have over 200 on our supersize Tokyo 2020 poster.

Thank you to everybody who has succeeded in getting hold of one of these stickers and handing them in at our school. It would be fantastic if we could complete the challenge and submit our application for a new school sports kit and the chance to win £20,000.

### Parking

Could we please request for all parents and other adults who drop any of our pupils off at school – or collect them at the end of the school day – to avoid parking on the yellow KEEP CLEAR zigzags (or double yellow lines). This is so important to keep our children safe – and reduce the risk of them being involved in a road traffic accident.

### Halton Community Awareness 'FREE' Event

Last week we included details of the Mako Digital Arts Workshop that our pupils in Year 6 had taken part in. We have now received details of the activity in Widnes – which will be taking place on Saturday 12<sup>th</sup> October.

As you can see, the Halton Community Awareness Event will be taking place at Widnes Market from 9:00am – subject to the weather.
