Children In Need

Halton Lodge Primary School always comes alive when it is Children In Need – and this year was no exception!

It was great to see so many of our pupils supporting this great charity by coming to school dressed in their pyjamas and taking part in the 6 hour long danceathon in our school hall.

We will not know how much money we have raised from the donations made today, the sale of the merchandise and any sponsorship money that is collected following today's dancing, until the end of next week.

However, if you are collecting any sponsorship money for this could you please aim to send this into school next week so we can send off all of the money raised as soon as possible.

Remember, the annual Appeal Show will be on television tonight – so you can see how other school children have been involved and how the money raised will be spent.

PTA Planning Meeting on Monday (at 9:00am)

The PTA will be holding a planning meeting to discuss each of the events that they will be holding between now and Christmas on Monday morning from 9:00am.

If you are not able to come along to this meeting, but would like to offer your time and support, please speak to one of the committee members beforehand.

However, please remember that anybody who has a child or grandchild at our school automatically becomes a member of the PTA – and the more people who are able to give just a small amount of their time to help in any way, is able to make each event an even greater success.

Therefore, if you are able to, please plan to come along!

The committee members are: Lyndsey Wilkinson, Nikki Urmsom, Kirsty Moremon, Cath Whitfield, Vicky Scarisbrick, Linda Hewitt, Toni Montandon, Caroline Warrener, Dawn Millett, Kim Bishop, Laura May, Toni Bellamy, Mrs Bickerton and Miss Whiting.

Sleep Workshop on Wednesday 20th November (at 9:15am)

We will be hosting a Sleep Workshop - organised and presented by the Health Improvement Team and our School Health Nurse on Wednesday morning; to which all parents/carers are invited to attend.

During the workshop, the adults will talk about the importance of sleep for children, how to establish good sleep routines and share effective strategies to support children who struggle with this.

The Sleep Workshop will start at 9.15am and anybody who would like to attend is welcome to come straight into school immediately after dropping their children off.

So we can make sure that we allocate a room that is of a suitable size, could you please inform Miss Smith or Miss Simcock in the school office if you would like to attend.

There is no limit to the number of people who are able to attend – so, if you feel that you would find this useful, please plan to come along!

Aldi Stickers

Thanks to all of your hard work – and rummaging around – we collected 602 stickers and so we have been able to submit TWO entries to the £20,000 for primary school competition; and are looking forward to receiving our free school sports kit for taking part.

Should we be fortunate to win, you will be the first to hear!

Active Halton
