24th January 2020

Year 6 Class Assembly

This morning the children in Year 6 showcased a wonderful X-Factor style competition between British Monarchs during our first class assembly of the year.

The acting, singing and narration were all fantastic - and the children set a brilliant example for all of the other children in the school to follow; when their turn comes to lead an assembly and showcase what they have been learning in school.

King John was victorious on this occasion - after a very realistic portrayal of this character.

The adults and children in Year 6 worked very hard to put such a great assembly together; and this was clear to see. Thank you to everyone who was involved for all of your hard work. You can be incredibly proud of yourselves!

TT Rockstars / Numbots Leader Board

We have decided to try to instil some healthy competition between our pupils by announcing the person in each class who is ranked first, for the time and success spent learning their number bonds in KS1 (by going on Numbots) and multiplication facts in KS2 (using Times Table Rockstars), in the school newsletter.

Congratulations to the following pupils for finishing this week at the top of the respected leader boards.

The highest number of minutes played on Numbots this week was achieved by:

- Y1 Oscar
- Y2 Harry

TT Rockstars Leaders based on speed of calculations are:

- Y3 Isabella
- Y4 Danny
- Y5 Ethan
- Y6 Grace

It will be great to see if any of these pupils can retain their position at the top of the leader board next week, or if anyone can take their crown.

To further encourage the children in KS2 to invest more time in improving the speed and accuracy in their recall of key multiplication facts, we have - at the children's request - set up a "KS2 Battle of the Sexes"; which started

yesterday and will run until Tuesday lunchtime. Therefore, if you wish to win, you will need to get online this weekend!

JOIN US FOR A FUN FILLED DAY OF SCIENCE!
MAKE A FOAMING SNOWMAN, BUILD A PAPER GINGERBREAD HOUSE CIRCUIT, HAVE A SNOWBALL FIGHT AND MUCH MORE.

BRING OUT YOUR INNER GENIUS!

Now that the building work at school is complete (with just a few cosmetic finishing touches to be completed over the next few weeks), RG Coaching are planning to use the school for a February Half Term Sports Camp on Monday 17th, Tuesday 18th, Wednesday 19th and Thursday 20th February (from 9:00am until 3:00pm). As soon as we have more information about this, we will share it in the school newsletter.
