RECEPTION NEWSLETTER

19th June 2020

We are greatly looking forward to 14 of our Reception children returning to school on Monday.

For those parents and carers whose children are returning, we would like to remind you that the children will need to be dropped off at the school gate leading directly into the school hall – at 9:00am. *We ask that you do not arrive early or, if you do, that you wait across the road, so that we can admit the children in the Priority Group and (from Tuesday) Year 6 into school first – to avoid the children in different ‘bubbles’ from mixing.*

To help you to maintain social distancing, when you arrive, we have marked the railings out at the front of the school building with white markings – these are 2 metres apart.

If you need to queue, please stand 2 metres apart – using the white markings on the railings as a guide. We are asking the parents/carers who are dropping off at the hall doors to queue to the right of these gates.
You should also stand 2 metres apart when you come to collect your child at 2:45pm

When the gate is opened at 9:00am, your child will be greeted by one of the Reception team (Mrs Dixon-Gibbon, Miss Roberts, Miss Ingram or Mrs Bickerton) and asked to visit a hand sanitising station. The other staff will be on hand to help your child stand on one of the footprint markers as they wait to walk into the school building.

Only the children will be allowed through the main gates – as we need to restrict the number of people who come on to the school site. Should your child get upset, the staff will be there to provide emotional support and help them. We appreciate that this may be a ‘big step’ for some of the children!

The lunchbox trolley will be situated by the gate, with some hand sanitiser for you to use and a set of antibacterial wipes to wipe this down before you place it on the trolley - if you are wanting to send your child into school with a packed lunch. All children who come to school are entitled to a free, hot school meal.

The menu for next week is:

- Monday 22nd June:
Burger In A Bun (served with potato wedges and vegetables) OR Tomato Pasta
- Tuesday 23rd June:
Fish Cake OR Cheese & Rice Flan (both served with herb potatoes and vegetables)
- Wednesday 24th June:
Mince Pie OR Vegetarian Meatballs (both served with roast potatoes and vegetables)
- Thursday 25th June:
Packed Lunch – with a choice of ham, cheese or turkey sandwiches)
- Friday 26th June:
Fish OR Pizza (served with chips, beans and/or peas)

Everyday there will be a selection of desserts and the option of additional food from the salad bar – as well as a choice of milk or water to drink.

Additional supervision at lunchtime will be provided by Mrs Geaney and Mrs Montandon.

Only ONE adult should bring your child to school and please ensure that you do not allow your child to bring any items from home – other than their coat. *There is currently no access to the bike store – so any bikes or scooters will need to be taken home, rather than left at school.*

If your child has a sibling who is also going to be in school, you are invited to drop them off and collect both children from school at the same time – if you would find this beneficial. Therefore, if your child has a sibling in:

- (from Tuesday onwards) Year 6 – you are invited to drop your child off at school at 8:40am with their older sibling (through the main school entrance – and they will be escorted into the reception ‘bubble’ by Mrs Ellis or Mr Hilldrup) OR at 9:00am (as outlined above).
- (from Thursday onwards) Year 1 – you are invited to drop your child off at school at 9:20am with their older sibling (through the school hall gate entrance – and they will be escorted into the Year 1 ‘bubble’ by Mrs Ellis or Mr Hilldrup) OR at 9:00am (as outlined above).
- Priority Group – you are invited to drop your children off at school at 8:30am (through the main school entrance – and they will be escorted into the reception ‘bubble’ by Mrs Ellis or Mr Hilldrup) OR at 9:00am (as outlined above)

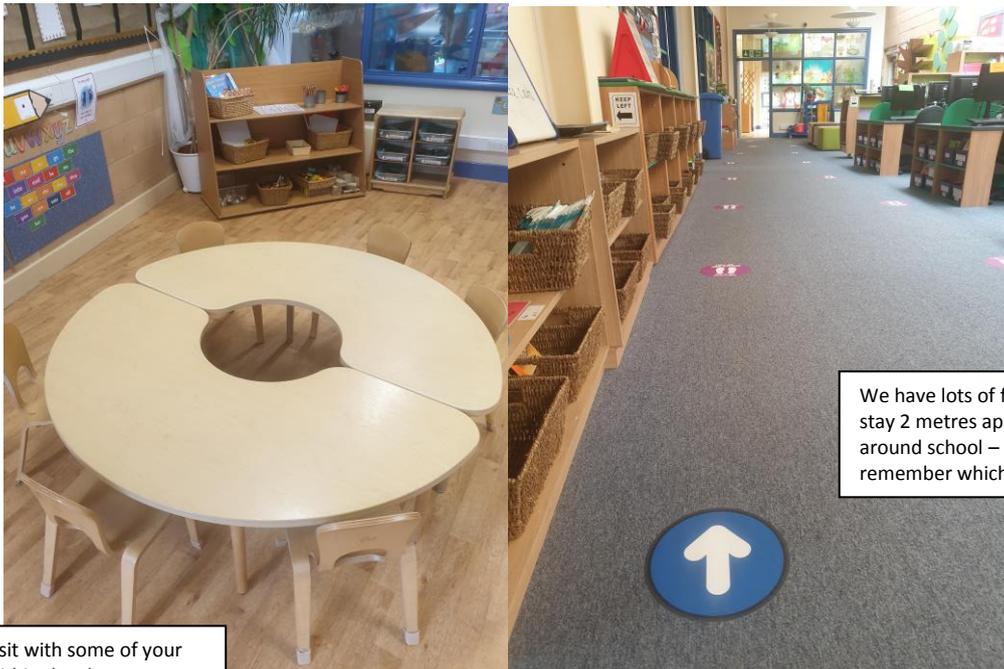

In addition to working in their pods, supported by an adult in their classrooms, the children will also have time outdoors – on the playground, in the football court and possibly on the school field. At these times the children will be kept away from the other children who will be in school – and they will have their own box of playground equipment for them to use. *Communal areas, such as the adventure playground and wooden seating area have been placed out of bounds – as have the areas that now have scaffolding in them.*

Any areas on the playground that you are no longer able to play on have all been painted yellow, so this is easy for you to remember.
There are still lots of places where you can play outside!!!

If you have any questions at all, please don't hesitate to get in touch!

We will make contact with any families who have requested to be given the option for their child to return at a later date this term before 6th July. Should any other families wish for their child to return to school this term, please email head.haltonlodge@halton.gov.uk so we can consider your request.

We have lots of floor markings to help you stay 2 metres apart when you are walking around school – and arrows to help you to remember which way to walk.

You will be able to sit with some of your friends in a 'pod' within the classroom. You will also have one of the adults sat with you.
We are calling these small group 'pods'.
[All the children in your class will be in your 'bubble'].

Our school will be having a new roof over the next 13 weeks. Although the workers will not be here next week, you will be amazed by how much scaffolding we have around the school.
This is all in the yellow zone, so while you can walk under it to get out on to the playground, you will not be near it when you are having fun outside.
